

PRODUCT BACKLOG

ID	ITEM	OWNER	PRIORITY	EFFORT	STATUS	DEFINITION OF DONE	NOTES
1	As a patient, I want to sign up on the website/application so that I can use the provided services	Monisha Viswanathan	2	8	Not Done	See Definition of Done Document	
2	As a patient, I want to add health information associated with my profile so that I don't have to repetitively fill out a new patient form every time I have a new doctor	Monisha Viswanathan	5	8	Not Done	See Definition of Done Document	
3	As a patient, I want to book an appointment with a doctor through a calendar so that I can get my medical problems resolved	Monisha Viswanathan	13	13	Not Done	See Definition of Done Document	
4	As a patient, I want to have a centralized source of my medical history so that every doctor I appoint with has access to my medical history and provide more personalized care	Monisha Viswanathan	6	8	Not Done	See Definition of Done Document	
5	As a patient, I want to be notified of my appointment or medicine time so that I don't forget it	Monisha Viswanathan	21	5	Not Done	See Definition of Done Document	
6	As a doctor, I want to add my availabilities so that patients can book an appointment when I'm available	Monisha Viswanathan	16	5	Not Done	See Definition of Done Document	
7	As a doctor, I want to write notes on my patient after the appointment, so that the patient can benefit from a medical record	Monisha Viswanathan	22	5	Not Done	See Definition of Done Document	
8	As a patient, I want to message my assigned doctor so that I can discuss solving my issues	Monisha Viswanathan	9	13	Not Done	See Definition of Done Document	
9	As a doctor, I want to message the patient who has made an appointment with me so that I can proceed with solving their problems	Monisha Viswanathan	10	8	Not Done	See Definition of Done Document	
10	As a patient, I want to be able to use a live chat instead of having to email/message the company so that I can get an immediate response to any non-medical issue I might be facing	Monisha Viswanathan	24	13	Not Done	See Definition of Done Document	
11	As a patient, I want all of my health information to be only viewable by my doctors and other authorities so that I can keep my information regarding my health from the public	Monisha Viswanathan	15	5	Not Done	See Definition of Done Document	
12	As a doctor, I want to be able to prescribe medicine to my patient so that they can get treatment for their ailment	Monisha Viswanathan	11	5	Not Done	See Definition of Done Document	
13	As a patient I want to be able to view the details of the appointment I have booked so that I can guarantee a time to see the doctor	Monisha Viswanathan	18	3	Not Done	See Definition of Done Document	
14	As a patient, I want to cancel an appointment that I no longer require so that the appointment can be available for someone else	Monisha Viswanathan	19	3	Not Done	See Definition of Done Document	
15	As a doctor, I want to be able to reschedule an appointment so that I can still see patients that I am no longer able to see at the booked time	Monisha Viswanathan	20	5	Not Done	See Definition of Done Document	
16	As a patient, I want to be able to edit my profile so that I can update the app on any changes that occur	Monisha Viswanathan	7	5	Not Done	See Definition of Done Document	
17	As a doctor, I want to be able to edit my profile so that I can update the app on any changes that occur	Monisha Viswanathan	8	3	Not Done	See Definition of Done Document	
18	As a patient, I want to be able to edit my current symptoms so that the doctor can monitor them and I can record how I am feeling	Monisha Viswanathan	4	5	Not Done	See Definition of Done Document	
19	As a doctor, I want to be able to edit my available times so that I can change the application as my situation changes, and update patients of these changes	Monisha Viswanathan	12	8	Not Done	See Definition of Done Document	
20	As a patient, I want to be able to view the profile of a doctor so that I can learn more about them and their available times	Monisha Viswanathan	14	8	Not Done	See Definition of Done Document	
21	As a doctor, I want to be able to view the profile of my patients so that I can learn more about them and their current healthy/symptoms	Monisha Viswanathan	17	5	Not Done	See Definition of Done Document	
22	As a super user, I want to be able to add, edit, and remove doctors from the database so that new doctors can be added to the system, doctor information can be edited as needed, and doctors can be removed when required	Monisha Viswanathan	3	8	Not Done	See Definition of Done Document	
23	As a super user, I want to be able to edit, and remove patients from the database so that patients can be managed and we can monitor use of the application	Monisha Viswanathan	23	8	Not Done	See Definition of Done Document	
24	A backend database to be created outside the interface in order to store relevant data pertaining to the application. Super user will have direct access to this database via their own UI	Monisha Viswanathan	1	8	Not Done	See Definition of Done Document
